HOTEL LOBBY
Light & plants & furniture

HOTEL CONFERENCE ROOM

Round glas room in lobby

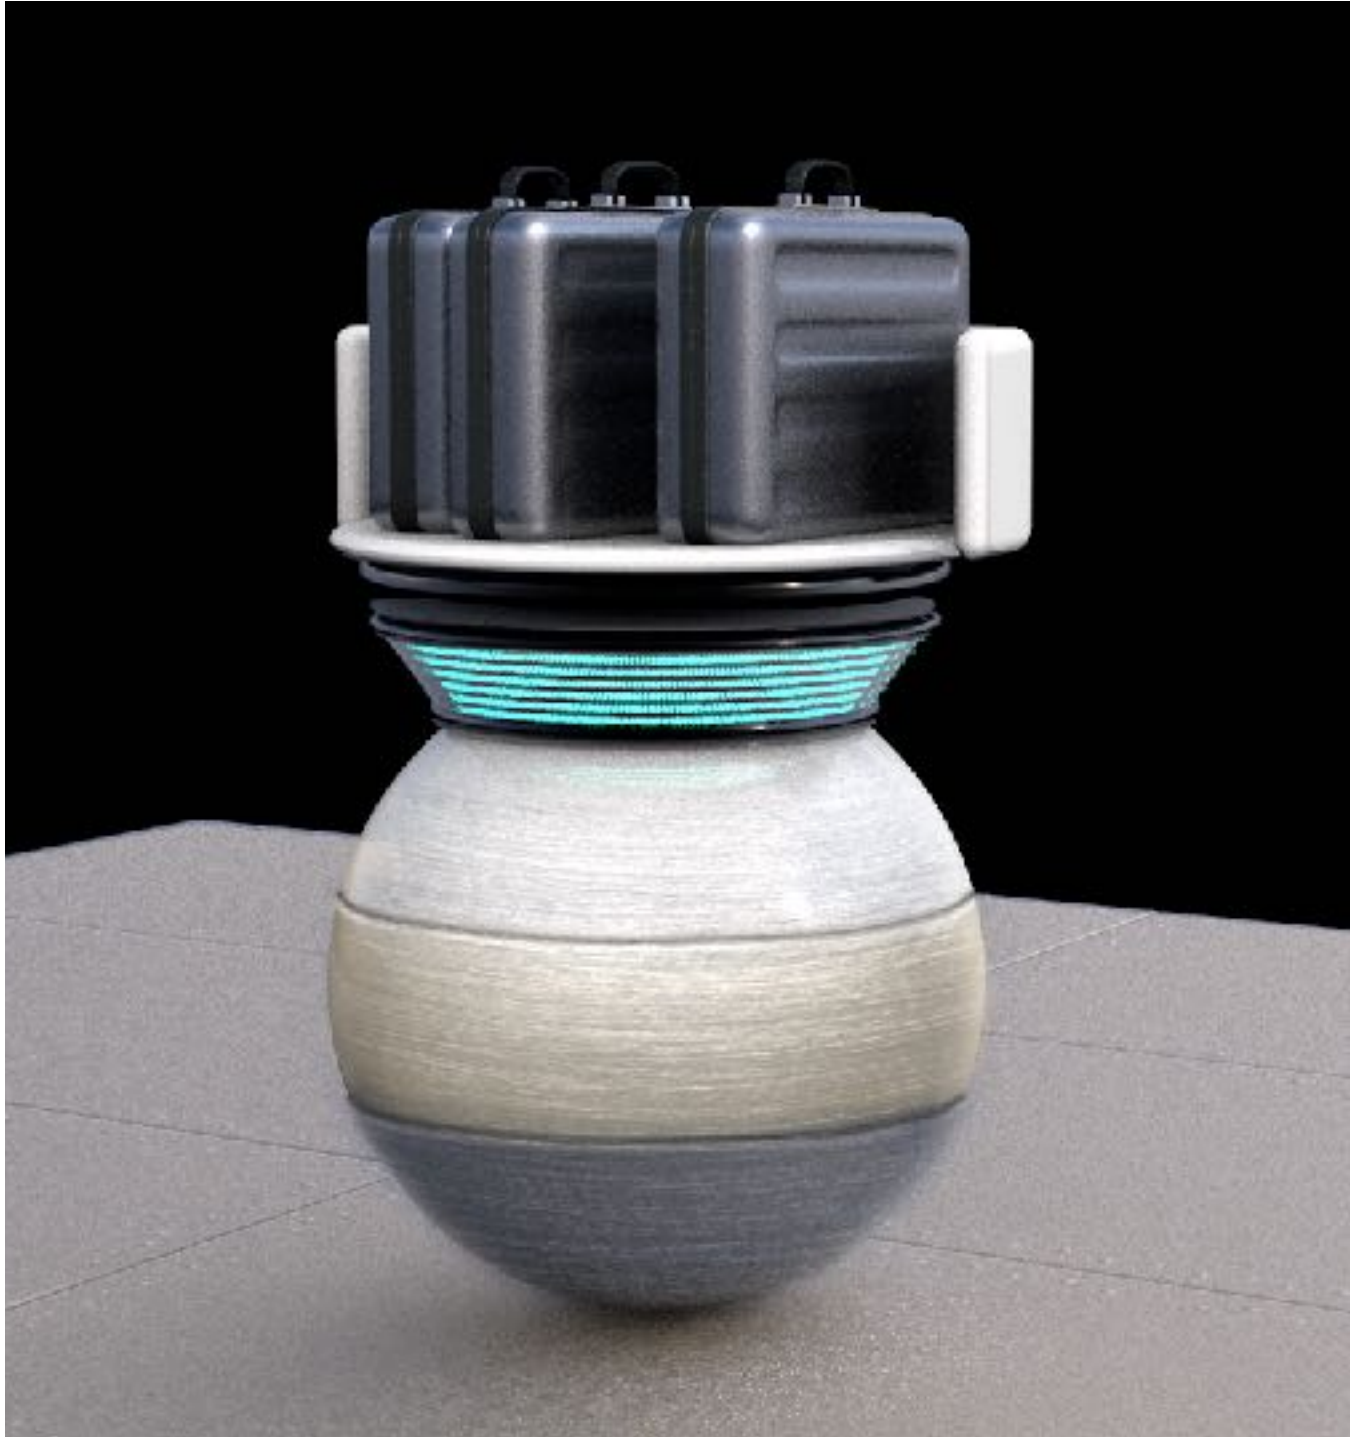

Clear away all the green chairs and tables.

We put two high end designed benches n a line.

We put green plants in the glas counter to the left. We make modern screens of plexi as a check in desk.

Some design chairs from the conferees room will be placed in the loby area to connect the two rooms. Same plants in loby and conference room

HOTEL LOBBY
Suitcase robot

Suitcase robot. Off white metallic surface reference

HOTEL CONFERENCE ROOM

Round glas room in lobby

High tech table top surface

High tech table

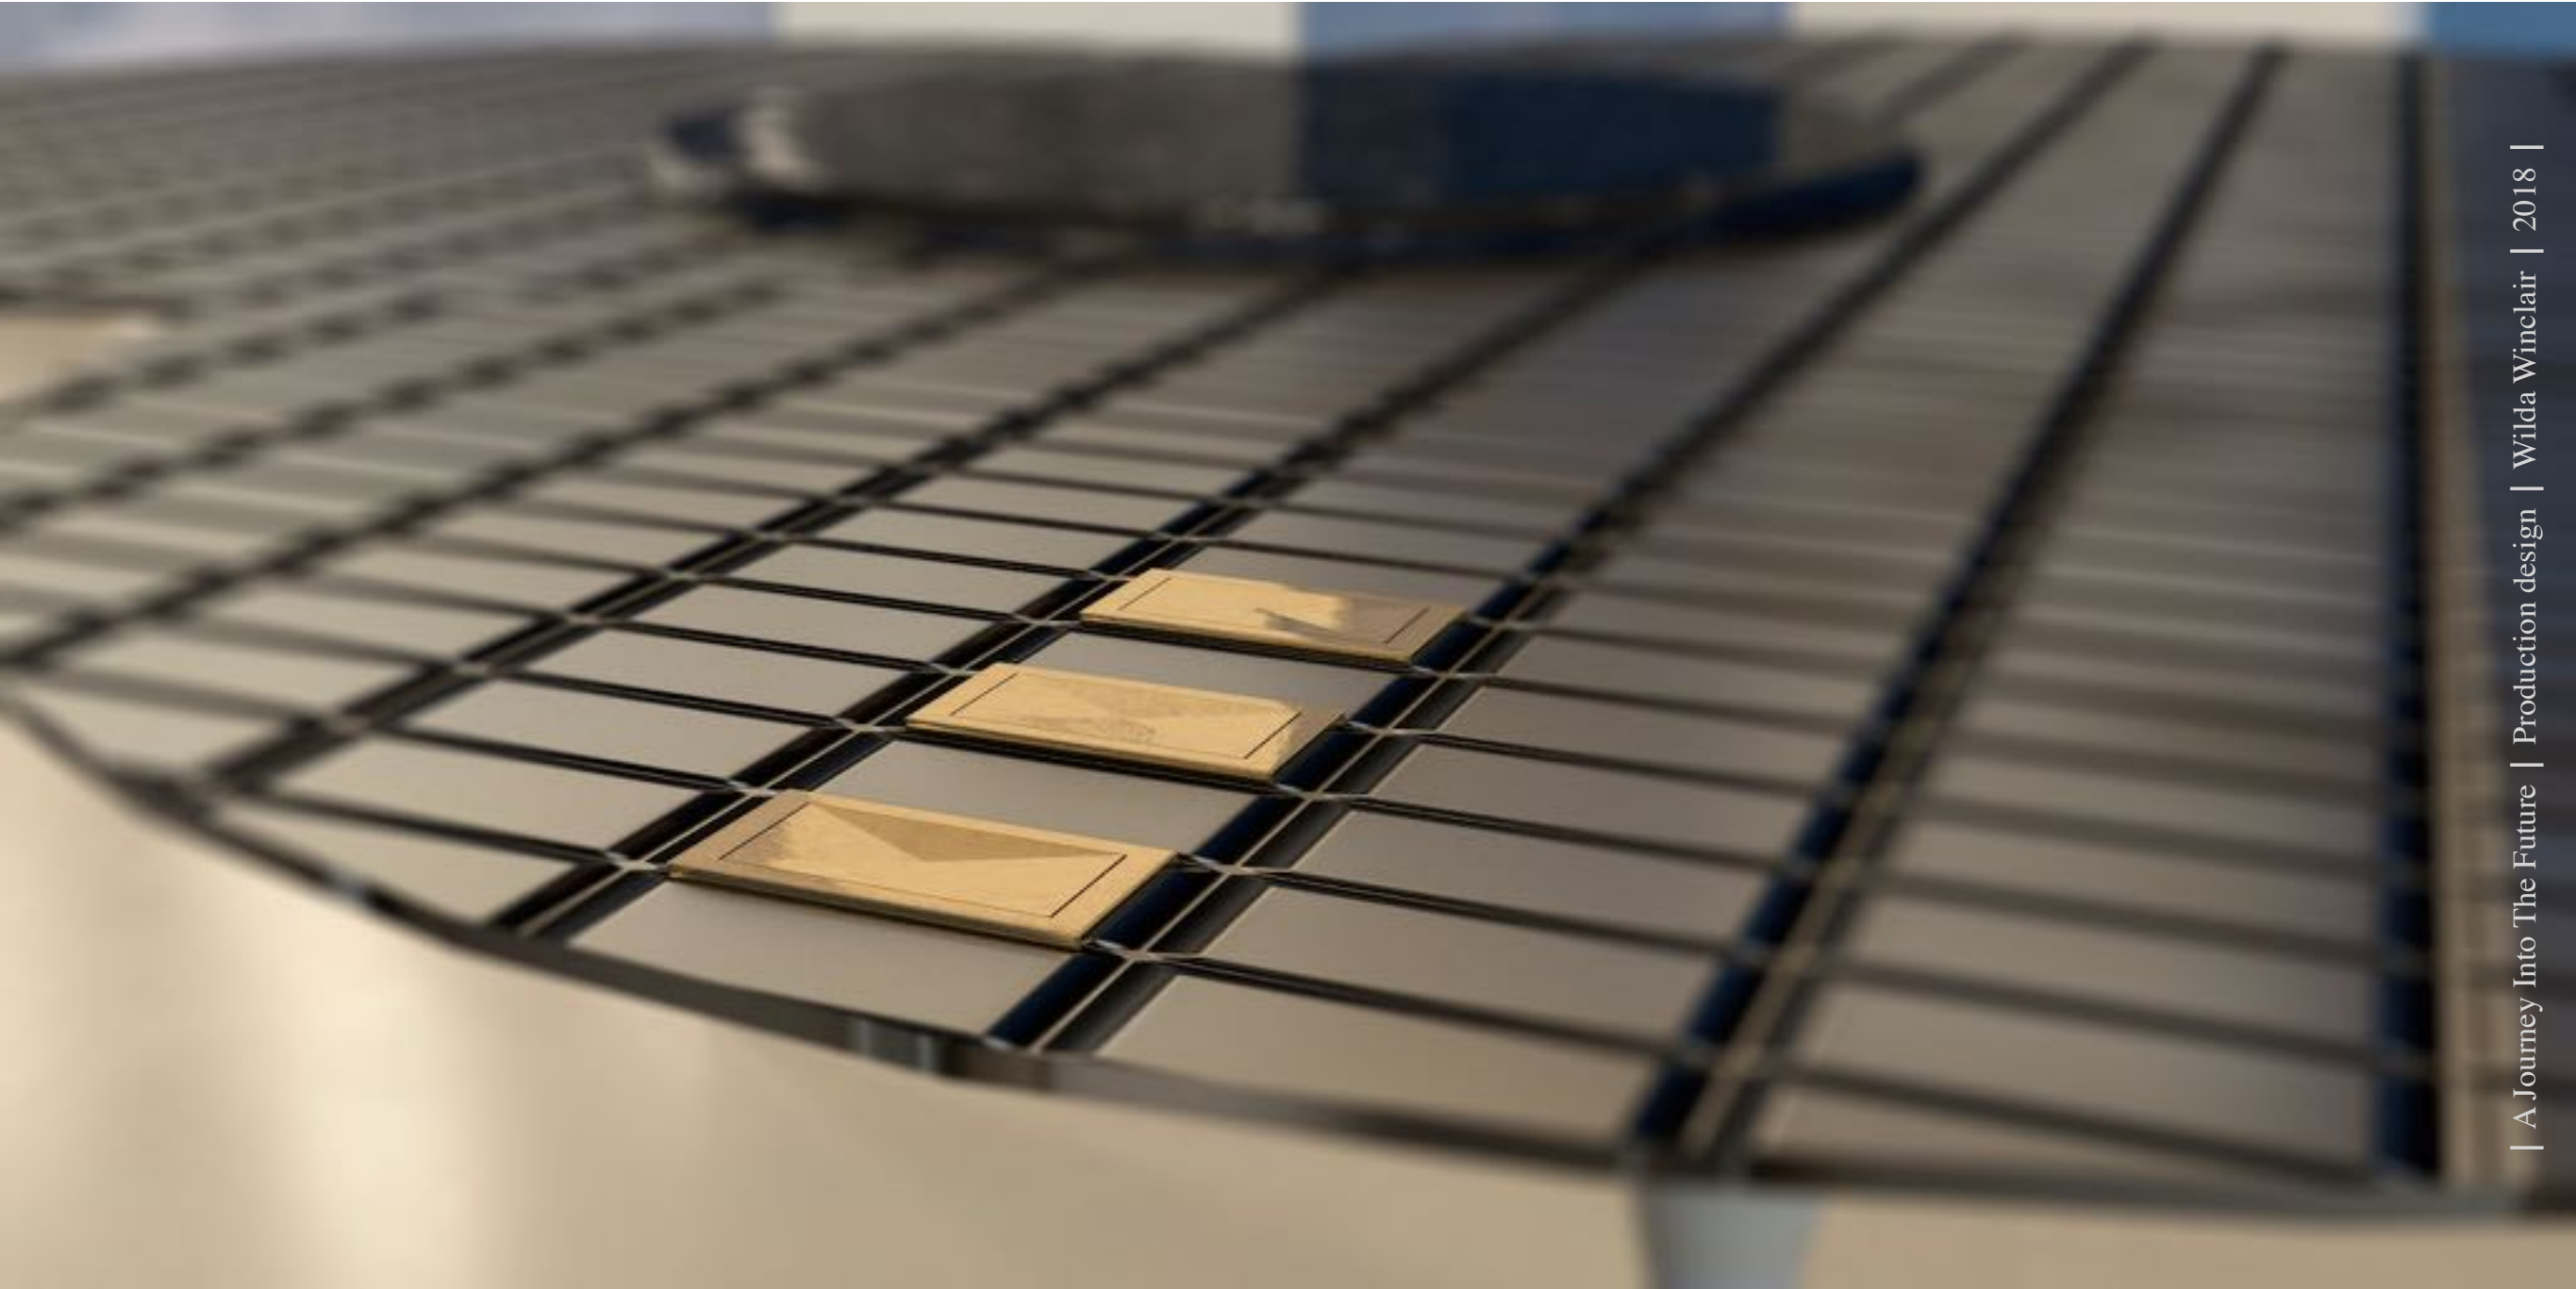

4 chairs

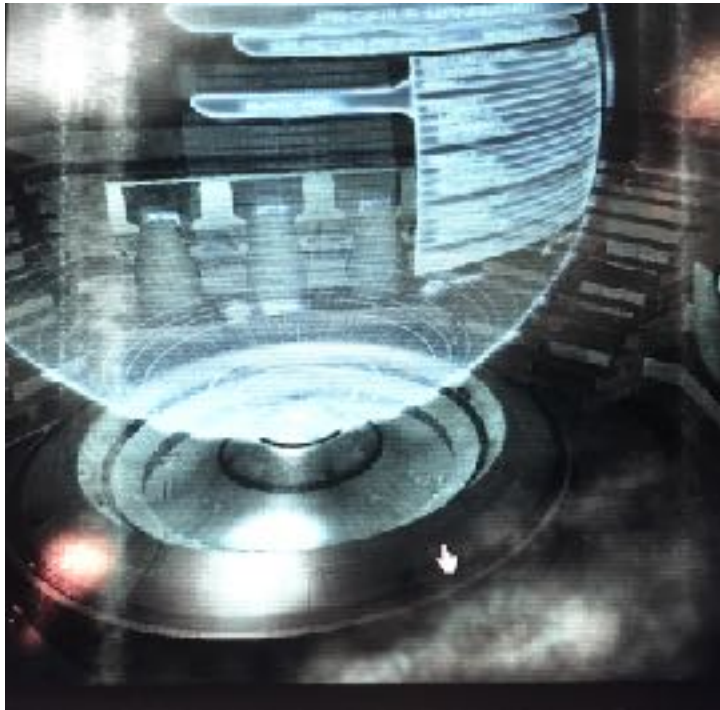

HOTEL CONFERENCE ROOM

Close up high tech table's buttons

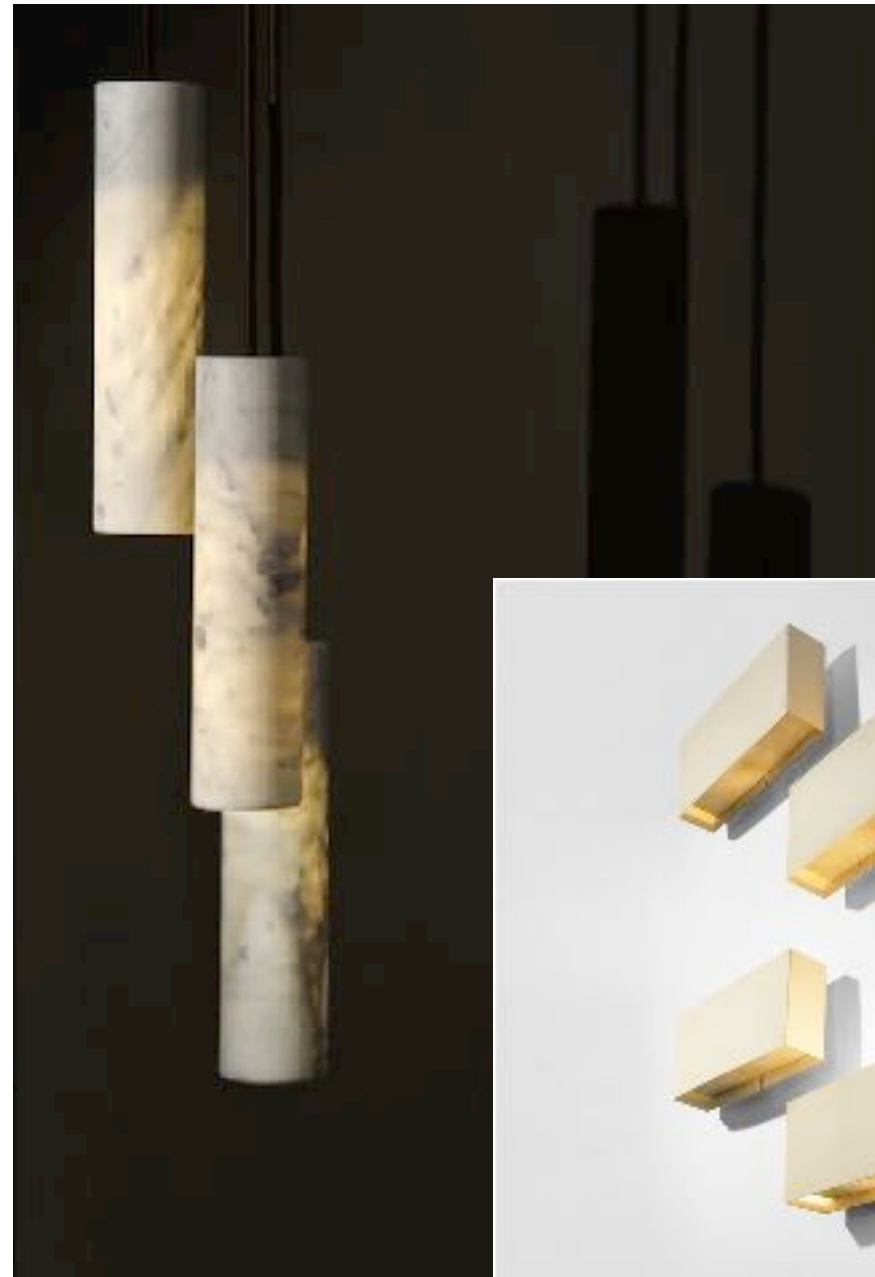

HOTEL CONFERENCE ROOM

Hologram from table

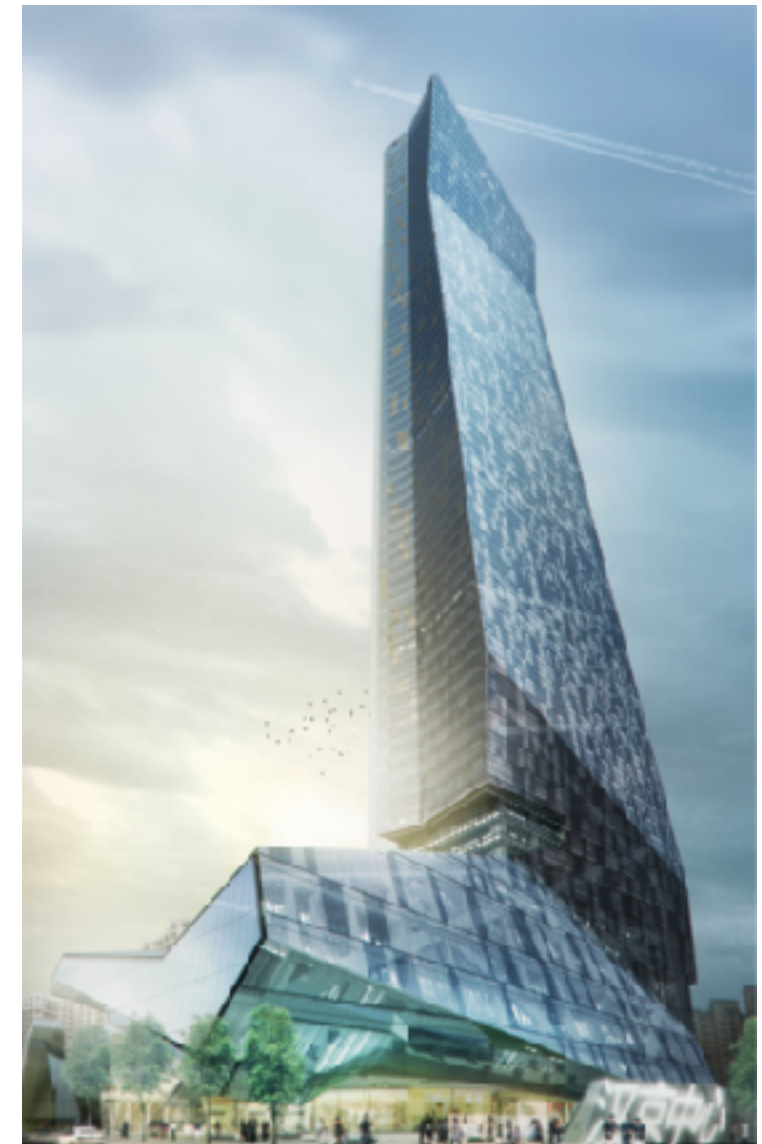

UPDATE MORNING

On the table, glass, cups, water bottle etc

FUTURE CITY ARCHITECTURE
NEOM

WATER PARK

Frosted plexi covering the mesh between the fence post.

Take away the sun umbrella.

Only kids playing in the water.

No plastic boats.

BUTLER DRONE

Round 3 rotor drone

The rotor's wheel construction has a 180 degree twist at some places. Still a round wheel rotor.

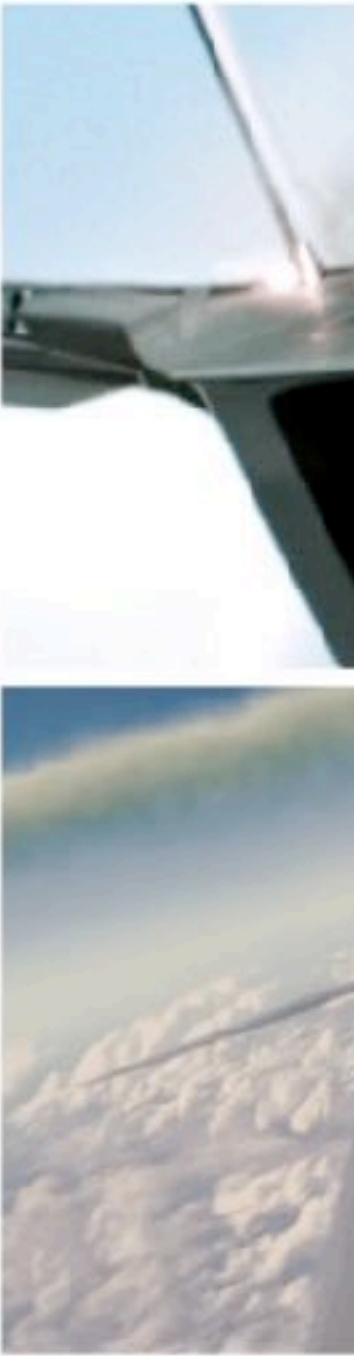

Colour & expression ref of rotor surface

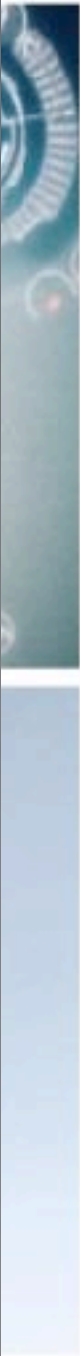

Colour ref for shakes

FLIGHT JET
Mood

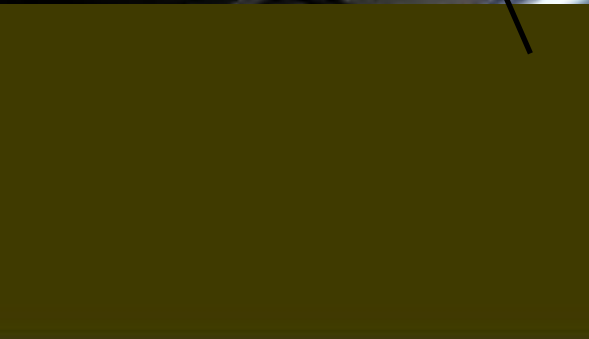

Helmet
Needs to have clear glas
